Welcome to a little about me. I currently live in Roseburg and have lived here for the last 16 years. I am beginning my seventeenth year in education where the majority of my years have been spent in the classroom as a middle school mathematics teacher. Two years ago I moved into a new role at Fremont Middle School as a TOSA (teacher on special assignment). I have really enjoyed the focus on instructional leadership and behavior support with students. I am learning everyday and welcome the challenge that comes daily in my new role. I come from a family of educators and have always enjoyed the opportunity to learn new things. I am an active person that enjoys fitness, the outdoors, and spending time with my loved ones. I'm looking forward to another great year at Fremont and working with students. Thanks for reading.
