

MR. JAKE HUGHES - ASSISTANT PRINCIPAL

If you are reading this, I applaud you! Hopefully you find out a little bit more about me and reach out for more information. I was born and raised in Sutherlin and spent ten years in education and athletics working for the Sutherlin School District. This will be my first year in Roseburg. I already feel very fortunate and thankful to be here. My wife and I have two girls, their ages are 8 and 4. When I am not at work I enjoy spending time with family and friends.
