

# MRS. KAREN HOWINGTON - TURNAROUND PROGRAM

I have been at Fremont since the 2016-2017 school year, and I have loved every minute of it. I teach in the Turnaround Program, but I have also taught Health & PE and Language Arts at other schools before coming to Fremont. I live with my husband, two dogs, and a cat. I enjoy playing guitar and bass on our church worship team, camping, and watching Bears football and Cubs baseball.
